Yarn

Super Big Yarn - \$3.85

- The most imitative insect representing available for fly dressing for those who do not dub. Polypropylene based insect representing pre-dubbed material with a lighter surface color intermingled on each strand. It aids buoyancy on dry flies, unlike wool yarn and yet does not prevent wet flies or nymphs from sinking. The surface can be left in its natural state or brushed up to provide a dubbed type finish. Deadly for brookies, brownies and salmon.

Colours: Hairs Ear Brown, Fawn, Gray Dun, Burning Fire, Tobacco, Dampson, Light Tups, Dark Tups, Olive, Damsel Green, Mustard, Red Rust, Black and Claret.

Antron Body Wool - \$3.75

- Different from other products, this is the real macoy with parallel strands of genuine Triobal Antron yarn. It can be used as wool in tails, bodies, backs etc. Or it can be chopped up and teased out and used as Antron seals fur substitute for dubbing. It can also be used doubled up for large bodied flies or separated and used like floss for smaller flies.

Colours: Fl. Red, Dark Brown, Fl. White, Amber, Black, Fl. Pink, Claret, Light Brown, Gray, Ginger, Blue, Fl. Orange, Fl. Lime, Dark Green, Olive, Golden Yellow, Green Highlander, Purple and Peach.

UNI Yarn Regular - \$1.50

- Standard wool yarn on the spool. Variety of colors. Great for wet fly bodies.

Colours: Golden Brown, Dark Brown, Brown, Bronze, Light Pink, Green Highlander, Black, Light Yellow, Sun Yellow, Pale Yellow, Magenta, Orange, Red, Orange, Burnt Orange, Gold, Wine, Chartreuse, Dark Gray, Green Olive, Olive, Purple, Chinese Red, Insect Green, Khaki, Cream, White, Pale Yellow and Kelly Green.
